

"Tracking cables just got easier and cheaper with Fishers Cable Tracker 1"

Signal Injector

CT-1
Cable Tracking System
Only \$15,495

Tracking System was specifically designed to locate and track buried power and communications cables. The system will locate and track cables on land or underwater and will locate faults or breaks in a cable.

"Fishers CT-1 Cable

The Cable Tracker 1 system consists of the Signal Injector and the Cable

Tracker Probe all for one low price."
