“Tracking pipes & cables is **easier and cheaper** with Fishers PT-1 and CT-1”

CT-1
Cable Tracking System
Only \$15,995

PT-1
Pipe Tracker
Only \$3,995

Fishers CT-1 Cable Tracking System was specifically designed to locate and track buried power and communications cables. The system will locate and track cables on land or underwater and will locate faults or breaks.

Fishers PT-1 pipe tracker locates deeply buried iron and steel pipes, even when they're in close proximity to other metal objects.
