- *Willing to adapt to your needs whether you want them as a fixed pier or a gangway. We can also splice 2 short ones together so just let us know what you need. This service is included in the asking price.*
- *Full warranty comes with purchase as we originally built them.*
- *Previous customer was Seaport of Miami. They were used as fixed piers for offloading cruise ship passengers.*
- *We can have them fitted with a new canopy if requested, call for pricing.*
- *For an additional cost we can handle/schedule shipping.*
- *Located in Kissimmee, Florida.*
- *New price is \$640 per foot, your price is \$400 per foot.*
