

45' Push Boat

With Twin 8V92's rebuilt 2009. Completely gone through 2016, runs well, needs wiring work, shifter cables, haul out bottom job small patch on port hull, \$90K in plating completed in 2009, exterior needs paint and Coast Guard Requirements update. Would make an excellent marine construction unit.

Located in Savannah, GA.

Docked at ship yard with rail.
