

You Are Viewing A Very Custom 40' Offshore Dorado Center Console

(This boat is a complete business, great for charter or dive operation.) At 40' long and 12.8' wide make it a very stable ride for inshore or offshore. Floats in 2.6' of water. Runs on a single 480 diesel with splitter box and 2 outdrives. Runs great and turns on a dime. Only 575 hours since boat was brand new. Comes with full tower with complete 2nd steering station (\$40,000 option!) Open check book maintained. 400 gallon tank! Large V-berth with a factory quad bunk set up. (\$10,000 option.) Boat is all composite built! No wood! Only 12,500 lbs. This boat was \$380,000 new. Get mine for \$99,500 if you are wanting to start or upgrade a charter/dive/tour ride boat in the islands this boat is it!! Plus a 1,500 mile
