

WHEN CAN YOU HAVE YOUR YACHT BE YOUR BUSINESS, HOME, AND TOY?

80' CHRIS CRAFT ROAMER

COAST GUARD CERTIFIED US\$595,000.00 OBO Loc. Boston MA

This yacht holds a COI for up to 65 passengers +3 crew 20 miles from shore. This beautiful classic aluminum Chris-Craft Roamer (the largest yacht built by Chris-Craft) (75' stretched to 80') has a large spacious flybridge with allowed capacity of 65 passengers. This vessel is laid out with a forward crew berth with a centerline head & shower, a single captains bunk to port & double crew bunks to starboard. Aft of crews quarters is a watertight bulkhead. Aft of the watertight bulkhead are (2) guest quarters w/queen size beds. Each guest quarters has its own shower & head. Aft of the guest quarters is another watertight bulkhead with entry to machinery spaces. In the machinery spaces are (2) 1271 Detroit, one with a power take off for bow thruster and (2) 20 Kw Onans. The master stateroom fills the stern area fitted with a queen size bed & setting area. The master stateroom also has its own head & shower. Main deck house is laid out with a newly refitted pilot house followed by a full modern galley and large grand salon with upgraded sound & video equipment. Aft main house is a fully enclosed flybridge with a spacious sundeck. In 2016 the entire hull was professionally painted with Awlgrip & new carpet throughout. In 2015 new Bimini & Isinglass for top deck & enclosure. In 2006 over \$600,000 was spent to certify this yacht. Many upgrades & improvements have been made to the yacht to keep it one of the most outstanding in the industry. Some Owner Financing.
