

Kaiser Gale Force 34

Pilot House Flush Deck Model

Included is a completed hull, deck and all tooling that has been developed when boat was in production in the 80's. There is a deck and rudder mold but no hull mold. Interior has bulkheads and floor members in place but is not finished. Items needed to complete the build include tanks, engine, keel ballast, spars and rigging, deck hardware, sails, cushions, electronics. \$75,000 for hull, deck, molds, all shop contents including lumber, patterns, hardware, overhead hoist, table saw, band saw, joiner, drill press, hand tools, etc.

Located in Wilmington, DE. Can be seen by appointment.
