brass

Nautical Brass: Our November 9 auction will feature maritime antiques of every description including a sensational array of meticulously polished nautical antiques. Solid brass items include ships' wheels, engine order telegraphs, spotlights, dozens of lanterns, telescopes, binnacles, compasses, portholes, anchors, pulleys, beacons, winches, clocks and more, all in polished brass!

Model Ship Collection: The selection of ship models in this auction will be quite impressive including Dockyard builders models, builder's half models of three **United States Lighthouse Service Vessels**, America's Cup model, steam yachts, tugboats, etc. There is a collection of America's Cup half models from a prominent New York Yacht Club member.

Paintings And Prints include paintings by Paul Jean Clays, Wooden Wood, William Pierce Stubbs, Wallace Randall, R B Spencer, Clement Drew, Louis Dodd and more.... On offer is a complete set of the Frederick Cozen's American Yachts lithographs being sold. There are nautical charts and John Alden yacht blueprints also. Other items of interest are carved eagles, ships quarter boards, a nine foot whale's jawbone, diving gear, a collection of ocean liner prints... the list goes on!
