ENERGY MISER FLOODLIGHT

THE BEST PROTECTION IS LIGHT
 And now you can light those areas that should be illuminated all night every night. Two super efficient pencil size fluorescent tubes and a space age reflector draws only 26 Watts, yields light equal to a 150 Watt Par flood. Furthermore these lamps have an average life of 10,000 hrs as opposed to 700 hrs for ordinary bulbs. Suitable for indoor or outdoor locations. Control manually or with a clock or photo cell. (not incl.) Keep intruders or vandals away - they hate these lights. Easy to install, only 8-1/2" x 5" and come all wired and with two hi efficiency bulbs. Can be attached to an outlet box or any flat surface. Special Sale saves you 50% plus big savings on electricity.

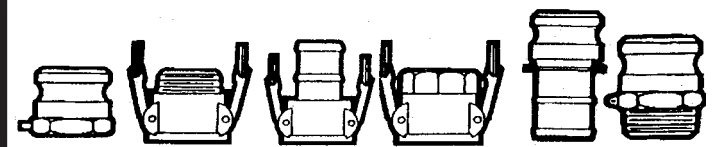

Item #H213, Wt. 5#s..... \$55.95
 2 for..... \$100.95

HALOGEN QUARTZ LIGHTS

STOP THIEVES & VANDALS
 Thieves & vandals hate the bright sunlike glow of these U.L. approved 500 W. quartz lights. These big fixtures (9" x 6") flood high intensity light over a large area (up to 100' x 100' per fixture). Extremely economical and efficient, these lights provide twice the illumination of ordinary bulbs. The fixture case is alloy suitable for outdoor or indoor or wet areas with a polished aluminum reflector that really spreads the light. Reflector and bulb are protected by a tight hinged cover. Uses a standard long life T-3 Halogen quartz bulb. (incl), and fully wired. Comes with a std 1/2" swivel nipple to fit an outlet box or can be bolted to any surface. Ideal for boatyards, piers, docks, swimming pools, shops or work areas. This special price won't last.

Item #H1304, Wt. 7#s..... \$23.95
 2 for..... \$44.50
