Charter Lakes
MARINE INSURANCE AGENCY

THE CHARTER LAKES ADVANTAGE

Charter Lakes Marine Insurance understands that every Commercial Marine Operation has unique liability exposures and they require insurance coverage specifically tailored to meet those Liabilities. Our risk management personnel will review your operation, identify your exposures, and design a highly competitive Commercial Hull and Liability insurance package specifically for your needs. All underwritten by an A rated carrier. Our programs are designed to cover ANY type of watercraft used to transport personnel, supplies and equipment as well as passenger vessel charter services.

Examples of the commercial risks Charter Lakes insures:

- Oil and Gas Well Work
- Geophysical Exploration
- Hydrographic/survey Work
- Pollution Remediation Work
- Environmental Engineering Work
- Land Survey Work
- Building and Marine Contractors
- Bridge Inspections
- Landing Crafts
- USCG Passenger Vessels
- Guided Sportfishing Charters
- Fishing Guides
- Airboats
- Boat Rentals

Optional coverages include:

- Jones Act/Employment Liabilities
- Cargo Legal Liability
- Additional Insured/Waiver of Subrogation
- Contractual Liability
- Towers Liability
- Marine General Liability (MGL)
- Excess Liabilities

Obtaining a quote is easy - simply call our office and you can speak to one of our experienced account executive's or you can visit our website and download one of our commercial Marine Applications and then email it to info@charterlakes.com or fax it to us at 616-975-0670.
