

2005 - 130' GULF CRAFT LONG RANGE TUNA CHARTER/TOURIST/DIVE BOAT

EXCELLENT CONDITION Reduced \$1,900,000

The Big E is currently United States Coast Guard certified for 108 passengers. The boat was previously approved for 149 passengers so anyone needing to add potential customers should not be an issue. This boat is in amazing condition and in service now. The boat is turn-key with the accommodations unmatched by any other charter vessel built to date in the Gulf of Mexico. It was built for close to five million in 2005 by Gulf Craft, LLC. This company has built and has a reputation of building the finest boats in the world. The boat sleeps 40 passengers very privately and comfortably. The Galley was added for an additional \$400K with all the amenities: dual sink/oven/stove/hot buffet serving center, giant freezers and ice boxes including a ice machine and plenty cabinet space. The BBQ pit is where alot of the cooking takes place on the upper deck. The ac/heating system is better than most homes. Add satellite TV on the big screens and you actually feel at home. The dash is loaded with the latest navigational equipment that money can buy. The three restrooms are very spacious, very lady and kid friendly. The only way to explain the engine room simply put is that you can eat off the floors. If you are looking for investing in a boat that can return your investment plus years of income you found your boat.

-Showings by appointment only-
